MESSAGE FROM THE PRESIDENT & CHAIRMAN

Sydney Harbour is one of the world's most vibrant waterways. Every day it sees a wealth of maritime activity – from bustling public ferries and massive cruise ships to tiny sailing dinghies and supermaxi ocean racers.

The harbour has witnessed a wealth of remarkable historical events. In 1942 Japanese midget submarines snuck through Sydney Heads to launch an audacious attack on the Allied fleet at anchor off Garden Island. Just twelve years later – and less than a mile away – Queen Elizabeth became the first reigning monarch to set foot on Australian soil when she stepped ashore at Farm Cove.

But the harbour's most notable day is also perhaps the most significant date in our entire history. When he proclaimed the new Crown Colony at Sydney Cove on 26 January 1788 Governor Phillip gave the nation its starting point, and a special day that has been commemorated ever since.

Originally known as the Anniversary Day Regatta, what we now cherish as the Australia Day Regatta has become a central part of those national celebrations. This year will mark the 183rd staging of the event, making it the oldest continuously-run sailing regatta in the world.

The regatta is open to all, and we are delighted to invite everyone with a love of water sport and pride in their country to take part. There is a wide range of individual events on Sydney Harbour and the surrounding waterways of NSW.

No craft is too large or small to enjoy this wonderful day afloat. You can enter through your local club or at the website listed below.*

We are pleased to again acknowledge the continuing support of the Armed Services, in particular the Royal Australian Navy for the provision of the Regatta Flagship.

To all participants we extended our best wishes for a safe and enjoyable Australia Day on the water.

Matt Allen AM Malcolm Levy OAM
President Chairman

SUPPORTERS OF THE 184TH AUSTRALIA DAY REGATTA

The Australia Day Regatta Management Committee expresses their sincere thanks to all who have contributed to the planning and running of the Australia Day Regatta on 26 January 2020. The Committee appreciates the contribution of the many sailing clubs who support the regattas conducted across the waterways of New South Wales, the volunteer race officers, the yachts and most of all those who sail on Sydney Harbour or participate in the many Regattas conducted on the waterways around New South Wales.

We also acknowledge the support of the Royal Australian Navy and in particular, the captain and crew of the flagship for this year's Regatta. We also express our thanks to the Royal Australian Army and the Royal Australian Air Force for their special contribution to the spectacle on Sydney Harbour for this historic event.

As always, our special thanks goes to the City of Sydney and the Lord Mayor, Councillor Clover Moore, who hosts the annual prize giving for the Australia Day Regatta in the historic and splendid Sydney Town Hall.

Major contributors to the management of the Regatta have again been made by the Royal Sydney Yacht Squadron and the Sydney Amateur Sailing Club.

We also acknowledge the generous support for the Regatta and the production of the Program over the years provided by Hardys Wines, AW Edwards Group, Treharne Moorings, Winning Appliances and Catalina Yachts.
